OrthoCarolina

Pediatric Orthopedic Center

OrthoCarolina's Pediatric Orthopedic Center is your destination for comprehensive pediatric orthopedic care. Our Charlotte pediatric physicians specialize in orthopedics for young people from birth to early adulthood. We have experience treating a wide array of pediatric orthopedic conditions including disorders of the spine, hips, feet, and hands, as well as trauma and sports injuries. Our Charlotte pediatric orthopedic center specializes in treating a wide variety of disorders both simple and complex in children and young adults.
