

Lindsay Collins, PA-C

Bio

My role at OrthoCarolina includes treating patients at our Charlotte Daytime Urgent Care and floating to different offices to help physicians with clinic or surgery.

In my free time, I enjoy exercising, watching sports (Go Panthers!), and spending time with my family. I've had the opportunity to travel around the US but look forward to exploring more countries and cultures. The NC Mountains have always been one of my favorite spots at any time of the year!

Fun Fact: I've been to Nicaragua on medical missions 6 times and look forward to more trips.
