

Acceptance of Financial Responsibility Acupuncture Treatment

I have been informed by OrthoCarolina that acupuncture is non-covered by most insurance plans. As such, Dr. Alison Warren, DAOM is not directly contracted with insurance carriers and does not file insurance claims for acupuncture treatment(s). I am responsible for payment at time of service.

The initial acupuncture visit is \$120 due at check-in; each subsequent visit is \$90. OrthoCarolina does offer an itemized statement at the end of each visit. I accept the responsibility to submit any claims to my insurance.

Also, Dr. Warren's policy regarding appointment arrival is as follows: patients should arrive ten (10) minutes prior to their appointment time. Patients more than seven (7) minutes late may need to reschedule.
