

Spasticity Clinic

Welcome to our Spasticity Clinic. Here, we focus on diagnosing and managing conditions characterized by muscle stiffness and involuntary muscle contractions. Led by Dr. Lewis and Dr. Geary, our team collaborates to provide comprehensive care for patients like you with spasticity-related conditions such as stroke, brain injury, or Cerebral Palsy.

Whether you're experiencing tightness in your upper extremities or legs, we're here to offer comprehensive treatment tailored to your needs.
