## Hand Center

1915 Randolph Rd  
Charlotte, NC 28207

**P: 704.323.2426**

## Hand Center

---

The physicians of the OrthoCarolina Hand Center are orthopedic surgeons who have pursued additional hand and wrist surgery training at the fellowship level in order to provide you with the most up-to-date and comprehensive treatment. In combination with our trained hand therapist and medical staff, they are ready to provide the very best in both surgical and non-surgical evaluation and treatment and have become a center of excellence for the Charlotte area in the treatment of hand problems.

### **WE HAVE EXTENSIVE KNOWLEDGE AND EXPERIENCE TREATING A VARIETY OF HAND, WRIST AND ELBOW INJURIES AT OUR MEDICAL CLINIC IN CHARLOTTE:**

- Carpal tunnel syndrome
- Trigger Finger
- Wrist and hand fractures
- Arthritis of the hand and wrist
- Stiff and painful hand problems
- Poor circulation of the hand or fingers
- Numbness, tingling and nerve problems
- Trauma to the hand, including sprains and lacerations
- Work-related injuries
- Recreational and sports-related injuries
- Hand and arm pain
- Dupuytren's contracture
- Autologous Conditioned Plasma (ACP)

---

The Hand Center is home to three world-class specialized clinics for unique patient problems. The [Brachial Plexus Clinic](#), [Congenital Hand Clinic](#) and [Reconstructive Center for Lost Limbs](#) are leading-edge orthopedic clinics developing new treatments and offering new solutions for patients worldwide.
