Winston-Salem Spine Center

Specialized Orthopedics for Winston-Salem, the Piedmont Triad and Northwest North Carolina for More Than 30 Years!

With extensive experience and advanced expertise, we focus on conditions of the spine (back and neck). Our physicians treat a wide variety of spinal problems in the cervical, lumbar and thoracic areas for patients in need including:

- Adolescent and adult scoliosis
- Disc problems including microdiscectomy
- Back pain
- Arthritis of the spine
- Spinal stenosis
- Spinal tumors
- Spinal fractures
- Other spinal deformities
