

Rock Hill Physical Therapy

SPORTS THERAPY

Athletic trainers and Sports Physical Therapists get you back to your sports and fitness activities quickly. Combining sports knowledge with orthopedic expertise, we have the latest technology, exercise equipment and expertise to return you to your sport safely and quickly.

SPINE THERAPY

Our experienced Spine therapists will guide you towards full recovery using the latest manual therapy techniques and exercise programs. Following a back injury, our experienced therapists can also teach you to avoid re-injury and maintain a healthy spine to perform all activities, including sports.
