

Caroline Shaffner Clark, PA-C

Bio

Caroline specializes in disorders of the spine. She received her medical training at Wake Forest University's Physician Assistant program. After graduation, she spent the first 3 years of her clinical practice in Columbia, South Carolina at USC Orthopaedics and, since then, has worked at Orthocolina's Spine Center for just under two years. She works with Dr. Milam, Dr. Darden, and Paul Ellis PA to best treat patients with primarily cervical and lumbar spine issues.
