

Marcie Heslop Siebert, MS, OTR/L, CHT

Bio

Marcie is an occupational therapist and certified hand therapist at OrthoCarolina's hand center where she is the clinical manager for the therapy team. Marcie provides evidence-based informed, patient-centered care for the hand and upper extremity population. She is the lead Occupational Therapist for the multi-disciplined amputee clinic. She is involved in ongoing research and community initiatives to improve the lives of the amputee community. Marcie is a faculty member for OrthoCarolina's AOTA-certified hand therapy fellowship.
