

Zhenhui Lei Nixon, PTA

Bio

While in China, over a decade ago as a Personal Trainer, I realized I have always had a passion for the human body. When I moved to the USA in 2014, I attended CPCC in the PTA program and graduated in 2019. In my spare time, I love to run with my white husky, spend time with my lovely young son, and go to the gym with my handsome husband.
