

Virginia F. Casey, MD

Bio

Dr. Virginia Casey is versed in all areas of pediatric orthopedic conditions, from simple strains to complex reconstructive hip surgery. Her practice includes newborns, adolescents, and young adults. She has a special clinical interest in hip disorders.

She earned a B.A from the University of North Carolina, her M.D. from the University of Oklahoma and completed her residency in the department of orthopedics at the University of Utah. Dr. Casey began her specialization in pediatric orthopedics by completing a fellowship at the Texas Scottish Rite Hospital for Children in Dallas, TX.

Her academic achievements range from awards for outstanding resident research to excellence in academic performance and potential for contribution in the field of medicine. In her spare time, Dr. Casey enjoys spending time with her husband and their three children. She stays active by hiking and playing tennis.
