- You can find an ARMADA of skaters, firemen/women, and hipsters on this corner.
- PRAYERS are answered where EAST meets SOUTH. (and if prayers don't work, grab a slice of pizza across the street).
- You're approaching a TOWN full of AMERICAN RHINOS on the WEST side, but first you must find the WALNUT.
- This WATER TOWER is a block away from a SUNFLOUR and the bird only eats an 8TH of a PECAN.

2  
OF

- Across the street from this Elizabeth DENTIST, maybe you'll go down the blue slide if there is not a long LINE for a BERGER.
- This UNIVERSITY on Selwyn is fit for a QUEEN, and you know you've arrived when you see the sign.
- Gyros, Baklava, Dancing, Oh My... You're WIN(throp)ling if you've been to this annual Charlotte festival.
- On the back side of this science & technology museum you will DISCOVER your PLACE.

3  
OF

- It's REIGNING GROWLERS, tattoos, donuts, and plenty of artists on this popular corner.
- Where Panther's FANS get rowdy under the BRIDGE after leaving the DOG HOUSE.
- POUR your heart out because the BEAVER across the street needs a drink.
- STARBUCKS or LAUREL Market... I can't decide.
