

# WE ARE YOUR HIP & KNEE CENTER

*Internationally recognized for expertise in adult hip and knee care.*

## THE MOST EXPERIENCED TEAM

of surgeons in the Southeast who treat problems caused by osteoarthritis, rheumatoid arthritis, fractures, congenital deformity and other diseases that restrict a patient's active lifestyle.

## PIONEERS IN THE DEVELOPMENT

of modern hip and knee replacement, with extensive experience with both simple and complex joint surgeries.

**235**

years of total  
joint replacement  
experience

**10**

board-certified  
physicians  
specializing in total  
joint replacement

**3500+**

total hip and knee  
replacements  
annually

**We are committed to joint preservation strategies.**

**We are nationally regarded for research and innovation.**

**We approach difficult diagnoses collaboratively, resulting  
in the best possible outcomes for our patients.**

**YOUR CARE. YOUR WAY.**
