“IN A TIME WHERE

global healthcare is rapidly evolving, OrthoCarolina continues to lead the charge to enhance the care-delivery model to offer the most cost-effective, quality care for our patients. OrthoCarolina is on the forefront of creating a number of value-based care options that improve the process while delivering the highest quality patient experience possible. It is our role to manage the continuum of care so that patients can focus on getting back to the best quality of life possible.”

— Bruce Cohen, MD
CEO, OrthoCarolina

SUBSPECIALTIES:

Hip and Knee, Foot and Ankle, Spine, Pediatrics, Shoulder, Elbow and Hand, Sports Medicine

OTHER SERVICE LINES:

Physical Therapy, Athletic Training, Occupational Therapy, MRI, Orthopedic Research, Motorsports

Mallard Creek SURGERY CENTER

The only physician-owned ambulatory surgery center in the Charlotte area awarded a demonstration project from the State of North Carolina. OrthoCarolina's ASC helps provide superior care at a more affordable price to our patients.

OrthoCarolina FOUNDATION

The OrthoCarolina Foundation seeks to support educational programs that improve the quality of healthcare at multiple levels. The foundation currently supports several ongoing educational programs and invites innovative proposals from all areas of healthcare education that improve the quality of health in our community and beyond.

An independent, non-profit organization working with physicians and collaborative partners to facilitate orthopedic research that advances practice and improves quality-of-life outcomes for patients.

COMMUNITY PARTNERSHIPS

More than 80 community partners including Care Ring, American Heart Association, the Carolina Panthers, and the Charlotte Knights.

YOU. IMPROVED.

With expert physicians and care providers in locations throughout our region, OrthoCarolina is one of the nation's leading orthopedic practices and your destination for comprehensive orthopedic care. We bring expertise in the areas of foot and ankle, hand, hip and knee, shoulder and elbow, spine, sports medicine and pediatrics to offer a continuum of care unmatched in our region — and throughout the country.
